MEMORANDUM FOR: ASSISTANT DIRECTOR, OO

FROM: Executive Assistant Director, OCD

SUBJECT: Security Classification of Information from  
Publications of European "Satellite" Countries

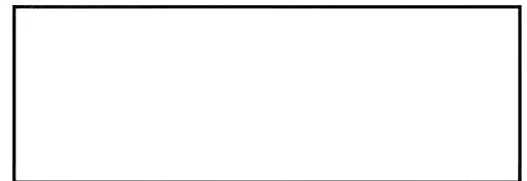

REFERENCE: (a) Memo from Acting Chief, FDD, dated 25 Nov.  
1949, subject: same as above  
(b) Memo from Chief, I&SS, dated 7 Dec. 1949,  
subject: same as above

1. A careful check of the prime documents and their sources mentioned in reference (a) indicates that it is essential to raise to Confidential the classification of FDD/OO reports prepared from such material. In accordance with reference (b), OCD concurs with the upgrading of this material.

2. OCD will not request document receipts on copies of such Confidential material. However, courier receipts will continue to be obtained for all batches of this and other FDD classified material transmitted outside the Agency.

3. Since the raising of the classification of this material will have minimum effect upon records, controls, and physical handling of the material involved, it is recommended that the AD/OO raise to Confidential classification of FDD/OO reports prepared from publications of European "Satellite" Countries.
